Dear Emma Best:

This acknowledges receipt of your **May 30, 2019**, Freedom of Information Act (FOIA) request, submitted to the Department of Health and Human Services (HHS), FOI/Privacy Acts Division concerning:

**“Documents mentioning or relating to Anonymous (the hacker movement/collective, see below) or hacktivism (defined as hacking as a form of protest and/or activism) generated between 1 January 2009 and 1 January 2019, including but not limited to:**

- \* Internal reports, bulletins, warnings and alerts relating to Anonymous or hacktivism
- \* Reports from the appropriate IT (Information Technology) or computer offices regarding possible cyber attacks by Anonymous or other hacktivists
- \* Reports, bulletins, warnings and alerts relating to or mentioning Anonymous or hacktivism sent to or received from any federal law enforcement or intelligence agencies or any fusion center
- \* Incident reports investigating possible hacking activity falling within the office's jurisdiction and allegedly carried out by members of Anonymous or other hacktivist groups
- \* Materials generated as a result of any suspected or actual compromise, breach or "dox" (revealing of personal or private information) by Anonymous or other hacktivists (Date Range for Record Search: From 1/1/2009 To 1/1/2019)".

We received your request on **June 13, 2019**, and have initiated a search to locate records falling within the scope of your request. If our searching units advise us that you have requested a voluminous amount of records that require extensive search and examination, my staff will contact you shortly to discuss your willingness to modify your request.

The FOIA requires that we respond to your request within 20 working days of its receipt in this office. Please note the following unusual and exceptional circumstances that will impact our response time: (1) we will need to search for and collect records from components and/or field offices external to this office; and (2) because we receive a very heavy volume of FOIA requests, we will process your request in line with our established policy of "first in, first out" case processing. If either of these circumstances prevents our office from responding within the 20 working day timeframe, we will utilize a 10 working day extension to process your request, as permitted pursuant to the FOIA. This policy is consistent with court decisions regarding FOIA's time limits.

The law authorizes us to collect fees for responding to FOIA requests and assume you are willing to pay any applicable fees for processing this request unless you have stated otherwise. If at any time the fee for processing your request is estimated to exceed \$250.00, we will send you an invoice for the estimated fee and suspend further processing until payment of the invoiced amount is received. If the estimated processing fee does not exceed \$250.00, we will send you an invoice for the actual fee with our response.

Please note the following:

If you believe we should expedite the processing of your request because the requested records are needed in light of a compelling need; i.e., an imminent threat to the life and safety of an individual; an urgency to inform the public concerning government activity (provided you are a member of the media); a deadline in litigation; a deadline for commenting on proposed regulations; or other urgent matters, you must ask for expedited processing in writing and

provide to this office as much relevant information as possible. In line with 5 U.S.C. § 552(a)(6)(E)(vi), you must demonstrate the compelling need in a statement certified to be true and correct to the best of your knowledge and belief. Attach any supporting documentation to your statement, including a court scheduling order if your request is based upon a litigation deadline. (Fax supporting documentation to the FOIA/PA Division at (202) 690-8320).

If your request seeks a waiver or reduction of the fees that we would customarily charge for furnishing agency records and your request does not contain sufficient information to enable us to determine whether a waiver or reduction of fees is warranted, you should provide such information to this office within 10 working days of receipt of this letter. In line with 45 C.F.R. § 5.45, such information must include a detailed explanation of how disclosure to you: (1) is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, and (2) is not primarily in the commercial interest of the requester. I especially need to know how you intend to disseminate the information to the public.

When submitting this additional information, please refer to the case number listed at the top left-hand corner of this letter, and send it to:
